

REBUILDING SANDRINGHAM PRIMARY SCHOOL

We'd love to hear from local students, teachers, parents/carers and community members about what you loved about the school and what you'd like to see in your rebuilt school.

With your input, we can capture the best of the old and inspiration for your school of the future.

The VSBA will be holding two community information sessions to discuss the plans for rebuilding the school. This will also be a great opportunity to address any questions you may have.
