A brighter and better new-look branch!

You may have seen the signage up to advise we are closed for a short term while our branch gets a facelift! The new colour palette of plum and coral plus fresh offices and teller area will look fantastic!

Pop in after 8 June and take a look at the fresh look and see some local artwork on display too!

Sam's 1000

Samuel Johnson from Love Your Sister is embarking on another epic quest. He is calling on businesses to help make Precision Medicine available to all Australian cancer patients.

Precision Medicine puts cancer patients on the right medicine, first time, every time. But it is not currently standard care for all Australians.

Samuel Johnson from Love Your Sister, together with the Australian Genomic Cancer Medicine Centre and the Garvan Institute of Medical Research, is asking Australian businesses to help make it happen.

We are proud to support them, and your business can too. Learn more at www.loveyoursister.org/sams1000

Part of the team!

As we move into the colder months we are always thrilled to see the kids get back into their winter sports and this year the enthusiasm is fantastic to see!

We are proud to be part of many teams in Bayside and a few have created great programs to work with us!

East Sandy Junior Football Club have given us the honour of naming six teams as ours – the two girls teams in U11 and U14 as well as mixed teams in U8, U9, U12 and U13.

We have also created goal post protectors in our iconic plum and white colours – look out for them at Chisolm Reserve!

Black Rock Jets are thrilled to be part of the Junior Football league for the first time this season with an U8 and U9 team as well as their fantastic Auskick program.

Sandy Little Aths might not be synonymous with winter sports but their Cross country training and coaching has been a huge success.

We have also recently provided funds to Sandringham Soccer Club, Beaumaris Sharks Football Club and many other local organisations.

Staff update

Over the past few months you may have seen some new faces in the branch. We are thrilled to have Erin and Oksana as part of our team. Below is a quick Question and Answer session with each of them!

Erin Hallyburton

Introduce yourself! My name is Erin, and I am an artist and researcher as well as a Customer Service Officer at Community Bank Sandringham.

What do you like to do outside work hours? Outside of work I like to spend time in my studio making sculptures. I also love cooking, knitting, watching movies and taking my dog for walks.

What's the best/most rewarding part of your job or/ what part of your job do you like the most. Working with wonderful colleagues in a supportive working environment is the best part of my job. I also love all the opportunities to learn new things and getting to know the regular customers.

Oxana Grigoryan

Introduce yourself! My name is Oxana. I am a Customer Service Officer. I was delighted to join Community Bank Sandringham at the end of 2022. It has been five months since I started my new roll at the Bank. I speak fluent Russian and a little bit of German. I have lived and travelled extensively overseas.

What do you like to do outside work hours? For a great part of my life in Australia I have been a stay-at-home mum. I very much enjoy getting involved with my family. My favourite free time is with my loved ones. Travel and visiting new places are an optimal way to share great experiences with my family.

What's the best/most rewarding part of your job or/ what part of your job do you like the most. Taking on an opportunity at my local Bendigo Bank gave me a great sense of connection to my community. The platform that Bendigo Bank is using in supporting local clubs and business is unique in my opinion. Its greatly acknowledged and appreciated by the locals.
